Parayil Group was founded in 1993 by our visionary Founder Chairman, Late Mr. P.J. Mathew. It commenced operations by exporting Spices and Masalas to the USA. Our Chairman, an agriculturist by tradition and associated with the Rubber and Hospitality Industries, then took on the challenges of processing and freezing Porottas and other Bread items for export to quality-conscious international markets. Today, his legacy continues, with his sons following his principles.

At **Parayil Group** and **Periyar**, our cornerstones are **QUALITY** of our Products, leading to **AUTHENTICITY** of Taste, achieved by means of **RELIABILITY** of processes, which in turn, leads to **CONSISTENCY** in quality of Products, batch after batch.
